Flight of Remembrance Jun 02 2020 Now an Award-Winning Finalist in the Non-Fiction: Narrative category of The 2012 USA Best Book Awards, sponsored by USA Book News. Obtain a free 40-page excerpt on www.kirschstonebooks.com. Against the backdrop of World War II tragedy and devastation in Latvia, Poland and Germany and three decades of European history, this true narrative provides a window into the palpating heart of wartime upheaval through the lives of Rolf Dutzmann and Lilo Wassull-two people fatefully positioned "on the other side." In December of 1939, swept along on a tide of dire necessity and circumstance due to the imminent Soviet takeover of his homeland, Rolf, a young Latvian aeronautical engineering student, flees with his family to Germany, a country fully under Hitler's control and already engaged in a brutal war. While the account chronicles Rolf's pursuit of his technical dream against daunting wartime odds, it is first and foremost a poignant love story that plays out against a panorama of worldwide chaos and destruction. It is also a story of the seen and unseen forces that coalesce to keep Rolf and Lilo alive after they meet in 1940 Berlin, leading them through a chain of cataclysmic events including Rolf's draft into the Luftwaffe and his father's assignment as chief inspector of V-2 rocket production, the bombing of Berlin, the destruction of their homes; their numerous desperate, cross-country escapes from the bombing, the advancing Soviet troops from the east, and the other Allied forces from the west; the POW camp hardships; and the deprivation of the postwar years. Despite the immeasurable evil, suffering and desolation of World War II, a synchronistic chain of events provides an uplifting reminder that love and hope may take wing even out of the ashes of life's most terrifying adversities.
