A Letter to My Teacher Sep 28 2022 This funny, touching picture book celebrates the difference a good teacher can make. Written as a thank-you note to a special teacher from the student who never forgot her, this moving story makes a great classroom read-aloud, and a perfect back-to-school gift for students and teachers! Dear Teacher, Whenever I had something to tell you, I tugged on your shirt and whispered in your ear. This time I'm writing a letter. So begins this heartfelt picture book about a girl who prefers running and jumping to listening and learning—and the teacher who gently inspires her. From stomping through creeks on a field trip to pretending to choke when called upon to read aloud, this book's young heroine would be a challenge to any teacher. But this teacher isn't just any teacher. By listening carefully and knowing just the right thing to say, she quickly learns that the girl's unruly behavior is due to her struggles with reading. And at the very end, we learn what this former student is now: a teacher herself. From award winning author Deborah Hopkinson and acclaimed illustrator Nancy Carpenter, this picture book is made to be treasured by both those who teach and those who learn.

[Letters from Rifka](#) Sep 16 2021 From Newbery media winner Karen Hesse comes an unforgettable story of an immigrant family's journey to America. "America," the girl repeated. "What will you do there?" I was silent for a little time. "I will do everything there," I answered. Rifka knows nothing about America when she flees from Russia with her family in 1919. But she dreams that in the new country she will at last be safe

from the Russian soldiers and their harsh treatment of the Jews.

Throughout her journey, Rifka carries with her a cherished volume of poetry by Alexander Pushkin. In it, she records her observations and experiences in the form of letters to Tovah, the beloved cousin she has left behind. Strong-hearted and determined, Rifka must endure a great deal: humiliating examinations by doctors and soldiers, deadly typhus, separation from all she has ever known and loved, murderous storms at sea, detainment on Ellis Island—and is if this is not enough, the loss of her glorious golden hair. Based on a true story from the author's family, *Letters from Rifka* presents a real-life heroine with an uncommon courage and unsinkable spirit.

Letters from Cuba Dec 27 2019 Pura Belpré Award Winner Ruth Behar's inspiring story of a Jewish girl who escapes Poland to make a new life in Cuba, where she works to rescue the rest of her family The situation is getting dire for Jews in Poland on the eve of World War II. Esther's father has fled to Cuba, and she is the first one to join him. It's heartbreaking to be separated from her beloved sister, so Esther promises to write down everything that happens until they're reunited. And she does, recording both the good--the kindness of the Cuban people and her discovery of a valuable hidden talent--and the bad: the fact that Nazism has found a foothold even in Cuba. Esther's evocative letters are full of her appreciation for life and reveal a resourceful, determined girl with a rare ability to bring people together, all the while striving to get the rest of their family out of Poland before it's too late. Based on Ruth Behar's family history, this compelling story celebrates the resilience of the human spirit in the most challenging times.

Under an assumed name her husband begins his search for her lover, determined to expose what Hester is equally determined to protect. Defiant and proud, Hester witnesses the degradation of two very different men, as moral codes and legal imperatives painfully collide."
