The Oracle's Daughter Mar 27 2022 Aldin has always felt out of place. In her fifteen years of life as a refugee alongside her parents in the small elf enclave of Lar, she's never displayed a single one of the gifts for which her race, the oracles, are known. But what if she isn't who everyone wants her to believe she is? What if there's another explanation? The Oracle's daughter is the first book in the Landeron saga, a coming-of-age story that explores the power of friendship, solidarity, and the love that's possible between people of different origins, whose paths will cross in the fight for survival in an unforgiving world. Because the only limits that exist are the ones we place on ourselves.

The Sibylline Oracles (Annotated Edition) May 29 2022 This is the extended and annotated edition including * an extensive annotation of almost 10.000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

Expert Oracle Database Architecture Sep 08 2020 Now in its second edition, this best-selling book by Tom Kyte of "Ask Tom" fame continues to bring you some of the best thinking on how to apply Oracle Database to produce scalable applications that perform well and deliver correct results. Tom has a simple philosophy: you can treat Oracle as a black box and just stick data into it or you can understand how it works and exploit it as a powerful computing environment. If you choose the latter, then you'll find that there are few information management problems that you cannot solve quickly and elegantly. This fully revised second edition covers the developments up to Oracle Database 11g. Each feature is taught in a proof-by-example manner, not only discussing what it is, but also how it works, how to implement software using it, and the common pitfalls associated with it. Don't treat Oracle Database as a black-box. Get this book. Get under the hood. Turbo-charge your career. Fully revised to cover Oracle Database 11g Proof-by-example approach: Let the

evidence be your guide Dives deeply into Oracle Database's most powerful features

Oracle Database Transactions and Locking Revealed Aug 08 2020 Oracle Database Transactions and Locking Revealed provides much-needed information for building scalable, high-concurrency applications and deploy them against the Oracle Database. Read this short, 150-page book that is adapted from Expert Oracle Database Architecture to gain a solid and accurate understanding of how locking and concurrency are dealt with by Oracle Database. Also learn how the Oracle Database architecture accommodates user transactions, and how you can write code to mesh with how Oracle Database is designed to operate. Good transaction design is an important facet of highly-concurrent applications that are run by hundreds, even thousands of users who are all executing transactions at the same time. Transaction design in turn relies upon a good understanding of how the underlying database platform manages the locking of resources so as to prevent access conflicts and data loss that might otherwise result from concurrent access to data in the database. Oracle Database Transactions and Locking Revealed covers in detail the various lock types, and also different locking schemes such as pessimistic and optimistic locking. Then you'll learn about transaction isolation and multiversion concurrency, and how the various lock types support Oracle Database's transactional features. You'll learn some good tips for transaction design, as well as some bad practices and habits to avoid. Coverage is also given to redo and undo, and their role in concurrency. This is an important book that anyone developing highly-concurrent applications will want to have handy on their shelf.

Amos's Oracles Against the Nations Dec 12 2020 In the first two chapters of the book of Amos, the prophet denounces a number of neighbouring nations for committing atrocities in war and then declares Israel to be equally blameworthy in view of the social injustices prevailing in his time. The essential contribution of Amos to Old Testament theology is to be found in his radical criticism of Israel.

The Jungle Temple Oracle Dec 24 2021 An ancient jungle temple holds the secrets to stopping the evil Herobrine! Gameknight999's true enemy has finally surfaced: Herobrine, an artificially intelligent virus that wants to escape Minecraft and destroy mankind with their own creation—the Internet. If he is able to escape the game and get online, Herobrine will infect millions of computer systems and turn machines and weapons on their masters, threatening all of humanity. After facing Herobrine in battle and nearly dying, Gameknight realizes he's going to need much more help to defeat this seemingly invincible enemy. His NPC friends tell him of the ancient Oracle residing in the oldest jungle temple in Minecraft who knows the secret to defeating this terrible threat. The path to the temple is fraught with danger, with zombies, spiders, and creepers lying in wait behind every tree and bush. Gameknight will enlist the help of his friends on his quest, but will they reach the Oracle in time to stop Herobrine? Gameknight999 will be tested to his limits, and perhaps beyond, in this spine-tingling new adventure. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love stories told with LEGO bricks, books that teach lessons about tolerance, patience, and the environment, and much more. We also publish books for fans of Minecraft and Pokemon GO, including books full of useful hacks, tips, and tricks, as well as Minecraft adventure stories for readers who love the fight of good vs. evil, and magical academies similar to Hogwarts in the Harry Potter saga. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Oracle Betrayed Jul 07 2020 After she is chosen to be "Bearer-of-the-god," Mirany questions the established order and sets out, along with a musician and a scribe, to find the legitimate heir of the religious leader known as the Archon. Children's BOMC. Reprint

The Ancient Oracles Nov 10 2020 For more than a thousand years, Greeks from all walks of life consulted oracles for guidance received directly from the gods. This colorful and wide-ranging survey encompasses the entire history of Greek oracles and focuses fresh attention on philosophical, psychological, and anthropological aspects of oracular consultation. It also examines how Greek oracles' practices were distinctive compared to those of their neighbors, especially in Egypt, Babylon, and Israel. Richard Stoneman weaves a fascinating historical tapestry, taking into account the different kinds of oracles (healers, advisors, prophets, and others), their most important sanctuaries, debates about them among ancient thinkers, and Christian attacks on them. Delving into the reasons behind the oracles' enduring position at the heart of Greek culture, Stoneman offers fresh insights into pagan religious practice and the history of Greek intellectual and spiritual life.

Caves and the Ancient Greek Mind Apr 15 2021 Caves and the Ancient Greek Mind analyses techniques of searching for ultimate wisdom in ancient Greece. The Greeks perceived mental experiences of exceptional intensity as resulting from divine intervention. They believed that to share in the immortals' knowledge, one had to liberate the soul from the burden of the mortal body by attaining an altered state of consciousness, that is, by merging with a superhuman being or through possession by a deity. These states were often attained by inspired mediums, 'impresarios of the gods' - prophets, poets, and sages - who descended into caves or underground chambers. Yulia Ustinova juxtaposes ancient testimonies with the results of modern neuropsychological research. This novel approach enables an examination of religious phenomena not only from the outside, but also from the inside: it penetrates the consciousness of people who were engaged in the vision quest, and demonstrates that the darkness of the caves provided conditions vital for their activities.

Desert Oracle Jun 29 2022 The cult-y pocket-size field guide to the strange and intriguing secrets of the Mojave—its myths and legends, outcasts and oddballs, flora, fauna, and UFOs—becomes the definitive, oracular book of the desert. For the past five years, *Desert Oracle* has existed as a quasi-mythical, quarterly periodical available to the very determined only by subscription or at the odd desert-town gas station or the occasional hipster boutique, its canary-yellow-covered, forty-four-page issues handed from one curious desert zealot to the next, word spreading faster than the printers could keep up with. It became a radio show, a podcast, a live performance. Now, for the first time—and including both classic and new, never-before-seen revelations—*Desert Oracle* has been bound between two hard covers and is available to you. Straight out of Joshua Tree, California, *Desert Oracle* is “The Voice of the Desert”: a field guide to the strange tales, singing sand dunes, sagebrush trails, artists and aliens, authors and oddballs, ghost towns and modern legends, musicians and mystics, scorpions and saguaros, out there in the sand. *Desert Oracle* is your companion at a roadside diner, around a campfire, in your tent or cabin (or high-rise apartment or suburban living room) as the wind and the coyotes howl outside at night. From journal entries of long-deceased adventurers to stray railroad ad copy, and musings on everything from desert flora, rumored cryptid sightings, and other paranormal phenomena, Ken Layne's *Desert Oracle* collects the weird and the wonderful of the American Southwest into a single, essential volume.

A Promise of Fire Mar 15 2021 Discover the white-hot fantasy romance that broke all the rules, where a fierce woman with powerful hidden magic goes toe-to-toe with the alpha warlord who abducted her...only to steal her heart. KINGDOMS WILL RISE AND FALL FOR HER... Cat Fisa isn't who she pretends to be. She's perfectly content living disguised as a soothsayer in a traveling circus, avoiding the destiny the Gods—and her dangerous family—have saddled her with. As far as she's concerned, the magic humming within her blood can live and die with her. She won't be a pawn in anyone's game. But then she locks eyes with an ambitious warlord from the magic-deprived south and her illusion of safety is shattered forever. Griffin knows Cat is the Kingmaker—the woman who divines truth through lies—and he wants her to be a powerful weapon for his newly conquered realm. Kidnapping her off the street is simple enough, but keeping the fierce beauty by his side is infuriatingly tough. Cat fights him at every turn, showing a ferocity of spirit that burns hot...and leaves him desperate for more. But can he ever hope to prove to his once-captive that he wants her there by his side as his equal, his companion...and maybe someday, his Queen? Get ready to burn: This romantic fantasy reads like the fiercest fairytale and includes a protective alpha warlord, enemies who become so much more, high action, humor, heat, and a dangerous world where mythical creatures hide. Readers will want to return to this fantasy world again and again in its sequels *A Breath of Fire* and *Heart on Fire*.
