God Doesn't Have Bad Hair Days Jul 31 2022 This gem of a book presents God as a positive life force that, when tapped, can send our lives spinning in an exciting new direction. It explains how spiritual "experiments" work, and provides concrete instructions for using these principles to improve one's life. Ten spiritual concepts are introduced, with a suggested 48-hour experiment to prove each one. Some examples of these principles are: 1) There's a power and force in the universe that can heal; 2) Your thoughts create your reality; and 3) By directing your mind, you can create more abundance, joy, and love in your life. Written in a conversational, contemporary voice, *God Doesn't Have Bad Hair Days* will appeal to the spiritual believer who's a fan of such bestsellers as *The Prayer of Jabez* and *Simple Abundance*, as well as to the spiritually curious who seek fulfillment outside traditional Christian denominations. The spiritual skeptic, too, will be drawn to this attractive book and its cheeky, no-nonsense tone.

Bad Hair Day Sep 20 2021

Bad Hair Day (Whatever After #5) Sep 08 2020 Hair today, gone tomorrow... After a tough day at school, I am NOT in a good mood. The perfect pick-me-up? A trip through our magic mirror! When my brother and I -- plus our new dog -- end up in the story of Rapunzel, we can't resist climbing her hair. Oh no! Her smooth locks suddenly look like they've been attacked by a cheese grater. Maybe a trim will help... Snip, snip. SNIP. Oops. Now Rapunzel's hair is too short and we're trapped! So we have to: - Find the tower's secret door - Avoid getting swallowed by a giant spider - Locate Pickles (aka the prince) - Reunite Rapunzel with her parents If we don't untangle this knotty tale soon, we could be stuck in this mess for good!

You're Going to Be Okay Jul 27 2019 Sometimes it feels like life's falling apart at the seams. Sometimes you're completely worn out by stresses that never seem to end. For every woman who has been disappointed, who has watched a dream die, whose life isn't what she imagined it would be, bestselling author Holley Gerth has a heartfelt message of hope--you really are going to be okay. And it is possible to live with joy, resilience, and strength in both the good times and the bad. In fact, she says, that's what God desires for us. With her trademark positive encouragement and probing questions for self-reflection, Holley encourages women to spend less of their lives regretting and more of their lives truly living. She shows them how to guard their hearts against despair and look to the future with confidence, remembering that they are part of a greater plan and nothing can stop God's purposes for them.

Good Hair, Bad Hair Feb 11 2021 Good hair, bad hair registers the author in the genealogical tree of the great Caribbean writers such as Olive Senior, Jamaica Kincaid, and Mayra Santos-Febres. The speakers of this novel, shown through fragmented monologues, become archetypal voices that intertwine in the main character as if all of them were only one. The changes of narrative perspective create metaphors of the inherent ambiguity in the Caribbean amalgam. But beyond the tension that the title could imply, this novel is the story of a woman who, in spite of her restlessness or her fears, takes control over her life. Elidio La Torre Lagares Professor, Universidad de Puerto Rico

Giving Kids The Business Jun 05 2020 Giving Kids the Business exposes the ways in which corporate America is turning schools into profit centers, the curriculum into an advertising vehicle, and children into a cash crop. Learn how market-oriented school reforms take money out of your pocket and lower the quality of public education. This book sounds the alarm over schools being used by marketers to pitch their products to our nations children. }The commercialization of public education is upon us. With much fanfare and plenty of controversy, plans to cash in on our public schools are popping up all over the country. Educator and social commentator Alex Molnar has written the first book to both document the commercial invasion of public education and explain its alarming consequences. Imagine that your son is given a Gushers fruit snack, told to burst it between his teeth, and asked by his teacher to compare the sensation to a geothermic eruption (compliments of General Mills). Imagine your daughter being taught a lesson about self-esteem by being asked to think about good hair days and bad hair days (compliments of Revlon.) Imagine that to cap off a day of world class learning, your child's teacher shows a videotape that explains that the

Valdez oil spill wasn't so bad after all (compliments of Exxon). Giving Kids the Business explains why hot-button proposals like Channel One, an advertising-riddled television program for schools; for-profit public schools run by companies such as the Edison Project and Education Alternatives, Inc.; taxpayer-financed vouchers for private schools; and the relentless interference of corporations in the school curriculum spell trouble for America's future. Anyone curious about how schools are being turned into marketing vehicles, how education is being recast as a commercial transaction, and how children are being cultivated as a cash crop will want to read Giving Kids the Business. } The commercialization of public education is upon us. With much fanfare and plenty of controversy, plans to cash in on our public schools are popping up all over the country. Hoda Aug 27 2019 She's just like the rest of us. But she's something different, too. Hoda Kotb grew up in two cultures--one where summers meant playing at the foot of the ancient pyramids and another where she had to meet her junior prom date at the local 7-Eleven to spare them both the wrath of her conservative Egyptian parents. She's traveled the globe for network television, smuggling videotapes in her shoes and stepping along roads riddled with land mines. She's weathered the devastation of Hurricane Katrina, and a personal Category 5 as well: divorce and breast cancer in the same year. And if that's not scary enough, she then began cohosting the fourth hour of Today with Kathie Lee Gifford. Her story reads just like Hoda--light, funny, positive, and inspiring.--From publisher description.

Stein is back with another laugh-out-loud experimental adventure in the eighth book in the Mad Scientist series from Jim Benton, the New York Times bestselling author-illustrator of the Dear Dumb Diary and It's Happy Bunny series. Franny K. Stein isn't a fan of glamour. She doesn't style her hair, the thought of wearing makeup makes her want to gag, and she couldn't care less about wearing dressy dresses when she'd much prefer her lab coat. But sometimes Franny wonders if her mom wishes she were different. Which gives Franny an idea...for an experiment! What if she can turn the beauty products her mom loves into something more exciting? Every experiment has its experimental error, and when Franny's hair takes on a life of its own, Franny must save the day (and her hair) to finally realize her mom loves her just the way she is.

Atomic Habits Nov 30 2019 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your

environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
