[How to Read the Constitution--and Why](#) Sep 25 2019 "A must-read for this era."—Jake Tapper, CNN Anchor and Chief Washington Correspondent An insightful, urgent, and perennially relevant handbook that lays out in common sense language how the United States Constitution works, and how its protections are eroding before our eyes—essential reading for anyone who wants to understand and parse the constantly breaking news about the backbone of American government. The Constitution is the most significant document in America. But do you fully understand what this valuable document means to you? In [How to Read the Constitution--and Why](#), legal expert and educator Kimberly Wehle spells out in clear, simple, and common sense terms what is in the Constitution, and most importantly, what it means. In compelling terms and including text from the United States Constitution, she describes how the Constitution’s protections are eroding—not only in express terms but by virtue of the many legal and social norms that no longer shore up its legitimacy—and why every American needs to heed to this “red flag” moment in our democracy. This invaluable—and timely—resource includes the Constitution in its entirety and covers nearly every significant aspect of the text, from the powers of the President and how the three branches of government are designed to hold each other accountable, to what it means to have individual rights—including free speech, the right to bear arms, the right to be free from unreasonable searches and seizures, and the right to an abortion. Finally, the book explains why it has never been more important than now for all Americans to know how our Constitution works—and why, if we don’t step in to protect it now, we could lose its protections forever. [How to Read the Constitution--and Why](#) is essential reading for anyone who cares about maintaining an accountable government and the individual freedoms that the Constitution enshrines for everyone in America—regardless of political party.

What Does the Constitution Say? Oct 07 2020 If you've never read the Constitution, let this guidebook help you! Featuring fun facts, cool illustrations, and even hilarious jokes, [What Does the Constitution Say?](#) will help you understand how our American government really works. Written more than 230 years ago, the Constitution can be hard to understand (even for adults). But it also gives you what you need to make our country the best it can be for everyone. [What Does the Constitution Say?](#) takes you on a tour of the whole Constitution while explaining what its fancy words really mean. From the Preamble to the 7 Articles to the 27 Amendments (so far), this fun-to-read guide is packed with bite-sized info, historic quotes, and graphics on important topics such as: Why the Constitution is a "living document" How the first attempt at a constitution (the Articles of Confederation) failed What powers the president does (and doesn't) have Key figures like James Madison, Alexander Hamilton, and George Washington A bonus section on the Declaration of Independence And much more!

Additionally, this guide contains over fifty civics lessons for immigrants looking for additional sources of information from which to study. Some topics include: · Principles of American democracy · Systems of government · Rights and representation · Colonial history · Recent American history · American symbols · Important holidays · And dozens more topics!

The South Carolina State Constitution Jun 22 2019 South Carolina's current constitution is a unique reflection of America's cultural and political history. It has roots dating back to the state's original colonial charter, comprising an uneasy alliance of post-Civil War history, late 19th century return to segregation, and post-1960s liberalizing reforms. In [The South Carolina State Constitution](#), Cole Blease Graham illustrates the success of positive political forces pitted against the social norms of a Deep South state. His informed analysis challenges advocates of constitutional reform to continue revision efforts, making this volume an important contribution to the study of state politics and the principles of democratic government. The South Carolina State Constitution provides an outstanding constitutional and historical account of the state's governing charter. In addition to an overview of South Carolina's constitutional history, it provides an in-depth, section-by-section analysis of the entire constitution, detailing the many significant changes that have been made since its initial drafting. This treatment, along with a table of cases, index, and bibliography provides an unsurpassed reference guide for students, scholars, and practitioners of South Carolina's constitution. Previously published by Greenwood, this title has been brought back in to circulation by Oxford University Press with new verve. Re-printed with standardization of content organization in order to facilitate research across the series, this title, as with all titles in the series, is set to join the dynamic revision cycle of [The Oxford Commentaries on the State Constitutions of the United States](#). The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents.

Allow Me to Retort May 02 2020 Instant New York Times Bestseller MSNBC legal commentator Elie Mystal thinks that Republicans are wrong about the law almost all of the time. Now, instead of talking about this on cable news, Mystal explains why in his first book. “After reading [Allow Me to Retort](#), I want Elie Mystal to explain everything I don’t understand—quantum astrophysics, the infield fly rule, why people think Bob Dylan is a good singer . . .” —Michael Harriot, [The Root](#) [Allow Me to Retort](#) is an easily digestible argument about what rights we have, what rights Republicans are trying to take away, and how to stop them. Mystal explains how to protect the rights of women and people of color instead of cowering to the absolutism of gun owners and bigots. He explains the legal way to stop everything from police brutality to political gerrymandering, just by changing a few judges and justices. He strips out all of the fancy jargon conservatives like to hide behind and lays bare the truth of their project to keep America forever tethered to its slaveholding past. Mystal brings his trademark humor, expertise, and rhetorical flair to explain concepts like substantive due process and the right for the LGBTQ community to buy a cake, and to arm readers with the knowledge to defend themselves against conservatives who want everybody to live under the yoke of eighteenth-century white men. The same tactics Mystal uses to defend the idea of a fair and equal society on MSNBC and CNN are in this book, for anybody who wants to deploy them on social media. You don’t need to be a legal scholar to understand your own rights. You don’t need to accept the “whites only” theory of equality pushed by conservative judges. You can read this book to understand that the Constitution is trash, but doesn’t have to be.

The Bill of Rights Oct 26 2019 Are the deep insights of Hugo Black, William Brennan, and Felix Frankfurter that have defined our cherished Bill of Rights fatally flawed? With meticulous historical scholarship and elegant legal interpretation a leading scholar of Constitutional law boldly answers yes as he explodes conventional wisdom about the first ten amendments to the U.S. Constitution in this incisive new account of our most basic charter of liberty. Akhil Reed Amar brilliantly illuminates in rich detail not simply the text, structure, and history of individual clauses of the 1789 Bill, but their intended relationships to each other and to other constitutional provisions. Amar's corrective does not end there, however, for as his powerful narrative proves, a later generation of antislavery activists profoundly changed the meaning of the Bill in the Reconstruction era. With the Fourteenth Amendment, Americans underwent a new birth of freedom that transformed the old Bill of Rights. We have as a result a complex historical document originally designed to protect the people against self-interested government and revised by the Fourteenth Amendment to guard minority against majority. In our continuing battles over freedom of religion and expression, arms bearing, privacy, states' rights, and popular sovereignty, Amar concludes, we must hearken to both the Founding Fathers who created the Bill and their sons and daughters who reconstructed it. Amar's landmark work invites citizens to a deeper understanding of their Bill of Rights and will set the basic terms of debate about it for modern lawyers, jurists, and historians for years to come.

[Understanding the U.S. Constitution, Grades 5 - 12](#) Jan 10 2021 Understanding the US. Constitution for fifth to twelfth grades helps students become informed citizens by delving into the history and structure of the U.S. Constitution. Also included is a Glossary for quick reference of the most important topics, cases, and information.

[The New Jersey State Constitution](#) Nov 27 2019 Williams launches our new series with this guide to the state constitution of New Jersey. His volume treats New Jersey's constitutional development since statehood, covering the constitutions of 1776, 1844, up to and including the current constitution written in 1947. Through this in-depth study, Williams is able to provide important insight into the broader issues of New Jersey's political, economic, and social growth. The book's first part traces the constitution's development since statehood, and a second part is a thorough section-by-section analysis of the current constitution. a useful purchase for libraries that specialize in constitutional matters or that want a reference source on their state. Library Journal Robert F. Williams launches our new series Reference Guides to the State Constitutions of the United States with this guide to the New Jersey State Constitution. The New Jersey Constitution is strictly a basic constitutional document, not a code of laws. It remains unblemished and envied. State constitutions have been referred to as 'mine(s) of instruction for the natural history of democratic communities.' This in-depth study of New Jersey's constitutional development provides an important insight into the broader issues of New Jersey's political, economic, and social growth. In Part I Williams traces the constitutional development from statehood in 1776 followed by a thorough analysis of the current constitution in Part II. With forewords by G. Alan Tarr and former New Jersey Governor and Chief Justice Richard J. Hughes, Williams' The New Jersey State Constitution: A Reference Guide covers the historical development of the constitutions of 1776, 1844, the Constitutional Commission of 1873, and the current constitution written in 1947. The volume then provides a section-by-section analysis of the present day constitution.

[An Introduction to Constitutional Law](#) Jun 02 2020 Buy a new version of this book and receive access to the video series that accompanies the text hosted on CasebookConnect.com. This multimedia platform combines a book and video series that will change the way you study constitutional law. An Introduction to Constitutional Law teaches the narrative of constitutional law as it has developed over the past two centuries. All students—even those unfamiliar with American history—will learn the essential background information to grasp how this body of law has come to be what it is today. An online library of sixty-three videos brings the Supreme Court's one hundred most important decisions to life. These videos are enriched by photographs, maps, and even audio from the Supreme Court. The book and videos are accessible for all levels: law school, college, high school, home school, and independent study. Students can read and watch these materials before class to prepare for lectures or study after class to fill in any gaps in their notes. And, come exam time, students can binge-watch the entire canon of constitutional law in about twelve hours. To receive access to the video series you must purchase a new version of the book.

The Broken Constitution Jul 24 2019 The compromise constitution -- The breaking constitution -- The choice of war -- Political prisoners -- Emancipation and morals.

[The Legal Basis for a Moral Constitution](#) Dec 29 2019 America is in the midst of a cultural and constitutional law crisis that began more than sixty years ago and was further exacerbated by the 2015 Supreme Court same-sex marriage decision. How did we become a culture that lacks objective morality and embraces secular ideas, hinging on the majority whim of nine justices? How do we get back to being a biblically moral, upright society and recognizing the U.S. Constitution as supreme law of the land? In *The Legal Basis for a Moral Constitution*, Jenna Ellis makes a compelling case for the true roots of America's Founding Documents in objective morality and how our system of government is founded upon the Christian worldview and God's unchanging law, not a secular humanist worldview. She provides a unique perspective of the Founding Fathers as lawyers and how they understood the legitimate authority of biblical truth and appealed directly to God's law for the foundation of America. Weaving together the legal history and underpinning worldview shifts in American culture, Ellis advocates how Christians must change the basic reasoning of our appeal and effectively engage our culture. Finally, she proposes the solution to reclaim objective, biblical morality in law that the Founders themselves provided for through Article V of the U.S. Constitution. This book is for every Christian who seeks to understand the times and our constitutional and cultural crisis.

[Model Rules of Professional Conduct](#) Feb 29 2020 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

[The People's Guide to the United States Constitution](#) Jan 22 2022 "The People's Guide to the United States Constitution" is an easy-to-read, spin-free guide to the Constitution, the Bill of Rights and amendments, and the Declaration of Independence, providing both the essential historical context and important definitions of the language used.

The Federalist Papers Sep 17 2021 This authoritative edition of the complete texts of the Federalist Papers, the Articles of Confederation, the U.S. Constitution, and the Amendments to the U.S. Constitution features supporting essays in which leading scholars provide historical context and analysis. An introduction by Ian Shapiro offers an overview of the publication of the Federalist Papers and their importance. In three additional essays, John Dunn explores the composition of the Federalist Papers and the conflicting agendas of its authors; Eileen Hunt Botting explains how early advocates of women's rights, most prominently Mercy Otis Warren, Judith Sargent Murray, and Charles Brockden Brown, responded to the Federalist-Antifederalist debates; and Donald Horowitz discusses the Federalist Papers from the perspective of recent experiments with democracy and constitution-making around the world. These essays both illuminate the original texts and encourage active engagement with them.

The Five Thousand Year Leap Mar 31 2020 The Founding Fathers of the United States of America created the first free people in modern times. They wrote a new kind of Constitution which is now the oldest in existence. They built a new kind of commonwealth designed as a model for the whole human race. They believed it was thoroughly possible to create a new kind of civilization; giving freedom, equality, and justice to all. The Founders created a new cultural climate that gave wings to the human spirit. They built a free-enterprise culture to encourage industry and prosperity. They gave humanity the needed ingredients for a gigantic 5,000-year leap in which more progress has been made in the past 200 years than all of prior recorded human history. All of this came about because of 28 basic principles the Founders discovered, upon which all free nations must be built in order to succeed. This eBook includes the original index, footnotes, table of contents and page numbering from the printed format, and also new illustrations.

[The Illinois State Constitution](#) Sep 05 2020 Since Illinois became a state in 1818, it has been a microcosm of the country at every stage of its development, from its status as a "free" state in antebellum America to a state rich in agriculture and industry whose goods and services now travel the world. Illinois' four state constitutions have reflected its changing values. Illinois is currently one of the few states that have adopted a new constitution since World War II. This 1970 constitution has become a model for countries in Central and Eastern Europe seeking examples of modern American constitutions. The Illinois State Constitution traces the history of the state's constitution from its statehood in 1818 to the adoption of the state's fourth constitution in 1970. Ann M. Lousin, who has been involved in Illinois constitutional development and government for over four decades, provides provision-by-provision commentary and analysis of the state's current constitution, covering the Preamble, the Bill of Rights, and the various articles and amendments, including a survey of case law under each provision. Previously published by Greenwood, this title has been brought back in to circulation by Oxford University Press with new verve. Re-printed with standardization of content organization in order to facilitate research across the series, this title, as with all titles in the series, is set to join the dynamic revision cycle of *The Oxford Commentaries on the State Constitutions of the United States*. The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents.
